Ms Karen Mann
Administration Director
1st Waste Management Consultants Ltd.
Regency House
10-12 Lansdowne Road
Bournemouth
Dorset
BH1 1SD

Dear Ms Mann,

ISO 9001, 14001 and OHSASA- 3 year re-certification audit

I am delighted to inform you that our panel have reviewed the findings from your recent ISO 9001, 14001 and OHSAS audit and have accepted the lead auditor's recommendation to continue to certify 1st Waste Management Consultants Ltd. I have enclosed your ISO 9001, 14001 and OHSAS certificate.

Logo's

I will send you an email containing the Centre for Assessment Ltd Certification Mark, the UKAS Accreditation Mark (the Tick & Crown) and guidance notes defining how these can be used, for example on stationery, please ensure that you read these carefully. The use of these marks is strictly monitored by UKAS and will be checked by Centre for Assessment Ltd during our regular surveillance visits.

Your next audit

Regular 6 monthly or annual audit visits are required in order to maintain your certification throughout the 3 year certification period. We will contact you 3 months prior to your next audit being due to make the arrangements for it to take place.

Please note that it is a requirement that your next audit is required to take place within 12 months of your last audit date. We recommend that you keep the dates that your auditor has already agreed with you that are shown on your on your audit report to avoid any issues with your certification.

Feedback

If you have any concerns about the audit process or the service provided by Centre for Assessment Ltd or your auditor and wish to speak to someone about this, please contact our Certification Manager on 0161 237 4080.

Finally, I hope that you have found benefits from continuing to achieve the ISO 9001 Standard and I look forward to arranging your next audit. In the meantime, if there is any information you need or anything you are unsure of, please do not hesitate to contact me at any time.

Centre for Assessment Ltd looks forward to continuing to work with 1st Waste Management Consultants Ltd. providing you with your ISO 9001, 14001 and OHSAS audit and the benefits that it brings to you.

Yours sincerely

S Hussain

Certification Executive
